

# Step-by-Step Instructions for Submitting Cases

## Step 1: Pay & Upload

Follow these steps to submit your radiology cases securely and efficiently:

1. Add all patient's radiographs and/or CBCT scans to the cart. (Under Services > Pricing)

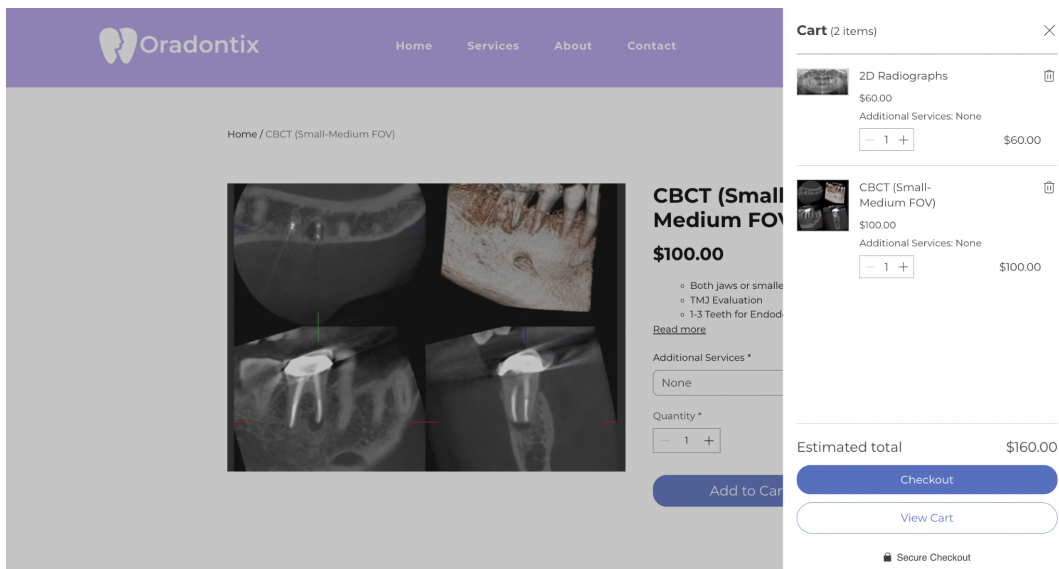

**Please Note:** Each order corresponds to ONE patient only. Please do not combine scans for multiple patients in a single order.

The image shows the Oradontix website's pricing page. At the top is a purple navigation bar with the Oradontix logo, links for Home, Services, About, and Contact, a Log In button, and a shopping cart icon with a '0' inside. Below the navigation bar is a section titled 'Pricing'. A note states: 'Turnaround time is 2-3 business days. Rush Reports are provided for an additional charge by the next business day.' There are three pricing cards: 1. '2D Radiographs' for \$60, listing services like Panoramic, Lateral Cephalometric, Periapical and Bitewings, Submentovertex View, and Waters' View. 2. 'CBCT (Small FOV)' for \$100, listing services like Both jaws or smaller, TMJ Evaluation, 1-3 Teeth for Endodontic Evaluation, and 1-3 Sites for Implant Evaluation. 3. 'CBCT (Large FOV)' for \$150, listing services like Both Jaws with cranium, More than 3 Teeth for Endodontic Evaluation, and More than 3 Sites for Implant Evaluation. Each card includes a note about rush reports and comparison charges, and an 'Add to Cart' button.

To the right is a 'Cart (2 items)' sidebar. The cart contains two items: '2D Radiographs' for \$60.00 and 'CBCT (Small-Medium FOV)' for \$100.00. The 'Estimated total' is \$160.00. At the bottom of the cart are 'Checkout' and 'View Cart' buttons. A 'Secure Checkout' icon is at the very bottom.
